This Information Sheet sets out the key information you need to know about your account. It should be read together with the Savings Account Terms and forms part of our agreement with you. Please keep it for future reference.

You can only pay up to £150 into the account each calendar month.

Summary Box

Account name	Digital Regular Saver Account		
What is the interest rate?	Balance	AER p.a. (variable)	Gross p.a. (variable)
	£1 – £5,000	6.17%	6.00%
	Over £5,000	1.75%	1.74%
Earn 6.17% AER/6.00% Gross p.a. (variable) interest on your first £5,000 and 1.75% AER/1.74% Gross p.a. (variable) on anything over £5,000. Interest is calculated on a daily basis and paid into your account on the first business day of the month. You'll be able to see and access the interest in your account on the following day.			
Can NatWest change the interest rate?	Yes, we may change the rate up or down. There are a few reasons for this, such as a change in the Bank of England base rate. You can find a full list of reasons for an interest rate change in section 9.2 of the Savings Account Terms. We'll give you at least 14 days' notice if the rates are going down and your balance is £100 or more. Otherwise we'll tell you before or shortly after the change. You can find more details about how we'd tell you about a change in section 9.2 of the Savings Account Terms.		
What would the estimated balance be after 12 months based on a range of deposits?	The following example shows you how much you may be able to save over 12 months:		
		Balance after 12 months (including £120 deposited over the 12 months)	Interest earned
	£10 paid in each month	£123.99	£3.99
		Balance after 12 months (including £600 deposited over the 12 months)	Interest earned
	£50 paid in each month	£619.94	£19.94
		Balance after 12 months (including £1,800 deposited over the 12 months)	Interest earned
	£150 paid in each month	£1,859.83	£59.83
This is only an illustration of what you could save and assumes that no further deposits or withdrawals are made, that there aren't any changes to interest rates or tiers, and any interest earned stays in the account.			

How do I open and manage my account?

- You can open a Digital Regular Saver if you're:
 - a UK resident;
 - aged 16 years or over; and
 - a NatWest current account holder.
- Your account can be opened online or through our mobile app.
- You can manage your account on our mobile app, online, in branch or by telephone.
- You are able to use Round Ups with Digital Regular Saver.
- You can only pay up to £150 into the account each month. This includes your standing order and any extra money you put in. Round Ups won't count towards your monthly £150 limit. Any amount over this limit may be automatically moved to your current account. If you repeatedly try to pay more than £150 each month into the account, you will be given 60 days' notice to close the account.
- There's no minimum deposit to open the account (maximum deposit is £150) however you'll need to set up a standing order from your NatWest Current Account of between £1 and £150 each calendar month into the account. If you wish to put extra money into the account, the combination of this and your standing order cannot exceed the £150 per calendar month limit. There is no maximum balance limit, however, the highest interest rate will only apply to balances up to and including £5,000.
- Extra money can be paid in (online, by telephone or on the mobile app) from a current or savings account in your name held with us or held with another bank as long as it doesn't exceed the £150 monthly limit.
- You can only have one Digital Regular Saver and it needs to be in your name. Joint accounts aren't allowed.
- If you close your account, you will not earn interest for the month of closure.

Can I withdraw money?

Yes, you can withdraw your money at any time. Simply move the amount you want to your current account held with us using your Online banking, mobile app, in branch or by telephone.

Please note there are daily limits on the amount that can be transferred from your account online, through telephone or mobile banking. We may also limit the amount of cash you can withdraw or deposit. Information on the current daily limits is available on our website or by contacting Telephone Banking.

If you close or switch your current account with us in future, you will only be able to withdraw money from your account in branch.

However, there is a limit on the amount you can pay into your account each tax year (6 April to 5 April). This annual limit, also known as your "ISA allowance", is set by the Government and may change from time to time. For the current tax year it is £20,000.

If you pay in more than the limit any excess money will be returned to you.

If you make a payment for a tax year into your Cash ISA, you can't make any payments for that tax year into any other cash ISA except for a NatWest: Help to Buy ISA.

Making payments to both a NatWest Cash ISA and a NatWest: Help to Buy ISA

- the Help to Buy: ISA is held with us;

You can transfer all or part of any ISA held with another provider to us. Find out more at natwest.com/isatransfer.

You can transfer your ISA (or part of it) to another ISA manager.

Please note there are daily limits on the amount that can be transferred from your account online, through telephone or mobile banking. We may also limit the amount of cash you can withdraw or deposit. Information on the current daily limits is available on our website or by contacting Telephone Banking.

	£1+	1.75%	1.74%
	<p>When you include a First Reserve account in our Offset Service, the money in your account (and any offset current account) is offset against your Offset Flexible Mortgage balance and is used to reduce the interest paid on your mortgage.</p> <p>You will only start to receive interest on any money in your First Reserve account when your offset savings (and any offset current account) balance is more than your Offset Flexible Mortgage balance. Any interest payable will be calculated daily and paid monthly.</p> <p>For more details on how interest is calculated and paid within an Offset arrangement please see Term 5 of Part A of the NatWest Personal Offset Banking Terms and conditions.</p> <p>If you remove your First Reserve account from the Offset arrangement interest will be calculated daily and paid quarterly on the first business day in January, April, July and October and at account closure. You'll be able to see and access the interest in your account on the following day.</p>		
Can NatWest change the interest rate?	<p>Yes, we may change the rate up or down. There are a few reasons for this, such as a change in the Bank of England base rate. You'll find a full list of reasons for an interest rate change in section 9.2 of the Savings Account Terms.</p> <p>We'll give you 60 days' notice if the rates are going down. If the rate is going up, we'll tell you before or shortly after the change. You can find more details about how we'd tell you about a change in section 9.2 of the Savings Account Terms.</p>
