Customer and Community Engagement following closure announcement

We wrote to customers of Petworth to inform them of the planned decision to close the branch on the 19/06/2018. We contacted the following organisations and people in the community to discuss the decision:

- Nick Herbert MP
- Local Councillors
- Vulnerable, elderly & regular customers contacted

We have had the following feedback since we announced the closure of the Petworth branch:

10 Enquiries*

8 Complaints*

The main themes were:

- Customers are concerned that we're not keeping our local cash machine and they will have to travel further.
- Customers have said that they are unhappy that Petworth is the last bank in town.
- Customers are concerned that the nearest Post Office is not an adequate alternative.

Here's what we've said and done:

- There are currently 2 free cash machines within 3 miles of the NatWest Petworth branch where customers can withdraw cash and check their balance
- Since we made our 'last bank in town' commitment in 2010, we've seen significant changes in the way our customers are choosing to bank with us. It has meant we now need to look at each brand individually.
- Customers can use their debit card to take out cash and check their balance at the Post Office, and can use their pay-in book to make deposits. Business customers can also get coinage. The nearest Post Office is 0.04 miles from the branch. There is 1 other Post Office within 3 miles.

NatWest Petworth branch will close as planned on 19/06/2018. Our branch staff are available to answer any further questions that you may have. For any further questions or concerns following the closure please contact your Local CEO: Stephanie Dickinson, 07919 308 809; stephanie.dickinson@natwest.com

The way we bank is changing

More and more people are choosing to do their banking online, with our Mobile Banking app, or over the phone. It's more convenient to do it at a time and place that suits you, rather than come into branch. This means some branches are being used a lot less than they used to be.

 - 1.1 billion mobile and online transactions in first half of 2017 – an increase of 41% since the second half of 2014*
 - Number of customers using our mobile app up by 43% since 2014*
 - Mobile transactions up by 73% since 2014 – with 3,531 logins per minute to our app in Q3 2017*

*Data inclusion: Royal Bank of Scotland, NatWest and Ulster Bank Northern Ireland.

How we decide to close a branch

Closing a branch is a decision we take very seriously. Since 2012 in Petworth we have seen the following:

- Counter transactions have reduced by 18%
- Only 42 customers are using the branch on a regular basis. Of these customers 45% also use other branches
- A total of 3321 customers visited the branch in the last six months.
- Of these customers 75% also choose to bank online, via telephony or at an ATM

We also consider a range of local factors over a long period (June 2012-2017)

- How customers are choosing to bank with us
- How often customers are using the branch and what transactions they are doing
- Impact on customers who currently use the branch
- Other options available to customers including online, mobile, telephony, Webchat, cash machines, Video Banking and everyday banking services that can be done at local Post Offices®
- The proximity of our other branches, including our network of mobile branches
- Local transport routes and timetables

We'll help you with other ways to bank

This leaflet outlines your options when this branch closes. If you have any questions, please let us know and we'll do all we can to help.
