Important Information About Black Account Travel Insurance

Operation of cover

Your policy will only operate:

- while there is a valid NatWest Black account under which **you** are entitled to receive the benefit of this **policy**;
- while **you** are aged under 70 years, unless **you** have bought an age extension;
- if **you** tell us about medical conditions you wish to be covered for. For any **insured person** aged 70 or over, and any **insured person** of any age with any medical conditions, **you** will need to contact **us** to answer some medical questions. Any **trip** that had already been booked before a new diagnosis will be covered but **you** must contact **us** to ensure new **trips** are covered too;
- for **trips** up to 90 days, unless **you** have bought a **trip** extension; and
- for **trips** that involve a planned return date to **your home**.

Changes to your insurance or to upgrade your cover

You must tell us immediately after booking **your trip** if any of the following extra cover is required (an additional premium may apply):

- Medical endorsement: if any **insured person** has any **pre-existing medical conditions**. **You** may then have to pay an additional premium to cover those conditions for the coming year. For some conditions, cover may not be available but **we** will tell **you** this when **you** call, and **we** will confirm this to **you** in writing.
- Age extension: if any **insured person** is aged 70 years or older.
- Guest cover: if **you** want to add or remove cover for anyone other than the **account holder**, their **partner** or any **dependent child**.
- Extended trip cover: if **you** are planning a long holiday or extended **trip** past 90 days, or 31 days for any **trip** involving Winter Sports activities (see page 18).
- Cancellation extension: if **you** are planning a **trip** with a value greater than provided for under the Cancellation, Curtailment and Abandonment covers **you** can increase those limits for that single **trip**.
- Hazardous activities: if **you** wish to undertake any **hazardous activities** (as outlined on page 19).
- Business cover – as detailed on pages 45-47
- Golf Cover – as detailed on pages 47-50
- Wedding Cover – as detailed on pages 50-52

The additional benefit provided by any upgrade will only be valid for new events occurring on or after the date **you** buy the upgrade. All upgrades must be bought before **you** depart on a **trip**.

This **policy** automatically covers all Black account holders, their **partner** and every **dependent child**, so **we** do not automatically issue any documentation showing their names (other than if **you** add on any of the upgrades outlined above).

If **you** require confirmation of cover, **we** recommend that **you** use this **policy** and a bank statement to show that **you** are entitled to this insurance. If **you** require further confirmation please contact **us** allowing at least 10 working days. There may be an administration fee, but **we** will tell **you** if there is.

Failure to provide correct information or inform **us** of any changes could adversely affect **your policy**, including invalidating **your policy** or causing claims to be rejected or not fully paid.

Health Issues

The Medical Declaration

This **policy** only covers unforeseen emergency medical treatment that occurs while **you** are on a **trip** and for conditions that **you** were unaware of, or that **we** have accepted. For this reason it is very important that **you** read the Medical Declaration on page 15 and provide full details to **us** straight away. This applies to all **insured persons**.

Reciprocal Health Agreements

Full details are available from www.dh.gov.uk/travellers

European Union

If **your trip** includes visits to any country in the European Union, Iceland, Lichtenstein, Norway or Switzerland, **we** strongly recommend that, if **you** are eligible, **you** obtain a European Health Insurance Card (EHIC) and take it with **you** whenever **you** travel.

EHIC enables **you** to benefit from the reciprocal health agreements that are in place with these countries, and which also apply to certain other countries and territories. If **you** use **your** EHIC to reduce the costs of medical treatment **you** receive, **we** will waive the **excess** on any additional claim under section D Emergency Medical and Related Costs.

EHIC is free and valid for five years; application can be made online at www.ehic.org.uk or by calling 0300 330 1350 and a separate card is required for every person travelling.

Australia

If **your trip** includes visits to Australia **you** must enrol at a local Medicare office, but **you** can do this after **you** have had treatment for the first time. In-patient and out-patient treatment is then available free of charge.

Before Incurring Any Medical Expenses

Please contact **our** emergency medical assistance service. They will help **you** get the treatment **you** need.

Country And Trip Length Issues

Geographical Limits

As standard **your policy** will cover **you** for worldwide travel.

Trip Duration Limits

No one **trip** can be more than 90 days' duration, or 31 days' duration for any **trip** involving Winter Sports activities (see page 18). If this is not enough **you** must call **us** to arrange for an extension and pay the additional premium.

For all policies, if **your** return to **your home area** is delayed beyond the scheduled end date of **your trip** for reasons outside **your** control the **period of insurance** will automatically be extended until **your** new return date.

Foreign & Commonwealth Office (FCO)

We are partners in the Foreign & Commonwealth Office's "Know Before You Go" campaign to keep British travellers safe and healthy abroad.

Before **you** travel **you** should check out the website at www.gov.uk/foreign-travel-advice for travel advice and up to date information about countries **you** plan to visit.

This **policy** does not cover claims where **you** have travelled to areas after the Foreign & Commonwealth Office (FCO) has advised against "All travel". **You** must comply with the most up to date travel advice detailed on the FCO website www.gov.uk/foreign-travel-advice at all times during **your trip**.

Activities Issues

Included Activities and Hazardous Activities

This **policy** will automatically cover **you** for participation in some but not all activities. Full details are on page 19.

Use Of Motor Vehicles – Scooters, Mopeds and Motorcycles

This **policy** will automatically cover **you** on **your trip** for using hired motor vehicles of 125cc or less but **you** must wear a crash helmet and, if **you** are the rider, **you** must hold a valid licence to drive that vehicle type within **your home area**.

You will also be covered for vehicles above 125cc but only if **you** hold a valid licence to drive that vehicle type within **your home area**, it is **your** mode of transport from **your home area** and **you** are wearing suitable protective clothing.

Cover under section F Personal Liability does not apply to the use of any motor vehicle.

Use Of Motor Vehicles – Quad Bikes (All Terrain Vehicles)

No cover is provided for **your** use of a quad bike or all terrain vehicle, whether as a rider or passenger, on road or off road.

Other Issues

Family Travel

This **policy** provides cover for every **dependent child** who is:

- aged under 18 years (or under 23 if in full time education); and
- lives at the **home** of the **account holder** (or, if separated, that child's other parent); and
- is not married or in a civil partnership.

Guest Travel

This **policy** provides no cover for any **guest**. Unless **you** have bought an extension to **your policy**, any claim for such people will not be covered.

Alterations To This Policy

From time to time **we** will alter the terms of **your policy**. **We** will give **you** at least 30 days' written notice before any changes take effect, and any changes will only apply to **trips you** book from the effective date of those changes.

Medical Declaration

Please read this section carefully. Failure to provide correct information or inform us of any changes could adversely affect your policy – see General Condition 1 on page 54.

When you become an insured person or when you book your trip (whichever is later):

You must tell us about each **pre-existing medical condition** you wish to be covered for any **insured person**. This is any medical condition for which **you**:

- have received advice, treatment or a prescription for medication (whether taking it or not) from a **doctor** during the last 12 months;
- have a heart or cancer related condition;
- are under investigation or awaiting diagnosis;
- are on a waiting list for treatment as an in-patient or were aware of the need for treatment as an in-patient;
- have received a terminal prognosis.

Between the date you booked your trip and the start date of your trip:

- **You** must tell us about any new serious injury or serious illness affecting any **insured person**.
- If **you** still wish to go on **your trip** **your policy** will continue to operate normally.

At any time:

- No cover is provided if **you** travel against the advice of a **doctor**, or would have been travelling against the advice of a **doctor** if **you** had sought such advice.
- No cover is provided where **you** are travelling in order to receive medical advice or treatment.

- No cover is provided where **you** have failed to take necessary medication, such as inoculations or medication that a **doctor** has prescribed to **you**.

If **you** are unsure about whether you should disclose any medical conditions you must call us on 0345 6017 188.

Where **we** agree to cover a medical condition **we** will apply those terms for the following 12 months (or until the expiry of any existing upgrade or endorsement, whichever is sooner) so long as there is a valid Black account under which **you** are entitled to receive the benefit of this **policy** and **you** have paid any premium due. At the end of this period **we** will send **you** a letter; **you** must then call in again so that **we** can ensure **your policy** continues to meet **your** needs.

If **your claim** is not for damages, **we** may decide to settle **your claim** by paying **you** the equivalent financial value of **your claim**.
- **We** can refuse to pay further **costs** if **you** do not accept an offer or payment into **court** to settle a claim which **we** or **your appointed representative** considers should be accepted.

- **We** can refuse to pay further **costs** if **your** claim no longer has **reasonable prospects of success**.

- **We** have the right to have **costs** certified by the appropriate professional body, audited by costs draftsmen **we** choose or assessed by a **court**.
- **You** must tell **your appointed representative** to claim back all **costs** that **you** are entitled to. If **costs we** have paid are recovered, **you** must refund them to **us**.

General conditions

General conditions which apply to sections A to O.

1. Providing accurate information

You must take care to provide **us** with accurate information which is correct to the best of **your** knowledge.

You must tell **us** immediately if the state of health of any **insured person** changes; please refer to the Medical Declaration on page 15.

Failure to provide correct information or inform **us** of any changes could adversely affect **your policy**, including invalidating **your policy** and causing claims to be rejected or not fully paid.

2. Notification of Claims

You must tell **us** as soon as reasonably possible about any event which may lead to a claim under this **policy**. If **you** receive any notice of prosecution, inquest or fatal accident inquiry or **you** are sent a writ, summons, claim or letter, **you** must send it to **us**, unanswered, as soon as possible. For claims under section G Legal Costs claims must be submitted no later than 180 days after the date **you** knew about or should have known about the event giving rise to the claim.

3. Claims Procedure – Our Rights and Your Obligations

- **You** must:
 - not admit any liability for or negotiate to settle any claim without our written permission;
 - give **us** any information and help **we** need.
- **We** are entitled to:
 - take over and carry out the negotiation, defence or settlement of any claim in **your** name;
 - take proceedings in **your** name to get back any money **we** have paid under this **policy**;
 - ask **you** to pay **us** back any amounts that **we** have paid to **you** that are not covered by this **policy**;
 - refuse to pay any claim where **you** have not provided sufficient receipts, bills or evidence to support **your** claim.

4. Evidence Of Claims

- **you** or **your** legal representatives must provide at **your** own expense all certificates, information and evidence that **we** need in order to consider **your** claim;
- if **your** claim is for injury or illness **we** may ask for **your** permission that **we** may contact **your doctor** to get access to **your** medical records. If **you** refuse permission **we** may not be able to deal with **your** claim;
- **we** may arrange, at **our** own expense, for **you** to be medically examined on **our** behalf including post-mortem if **you** die.

5. Duty Of Care

You must take all reasonable steps to prevent any loss, damage or accident involving **you** or **your baggage**.

6. Cancellation

- The **account holder** can cancel this **policy** at any time by telling **us** either over the phone or in writing. However, this insurance is included as an integral benefit with **your** Black account. **You** do not, therefore, pay a separate premium and would not receive any refund as a consequence of cancelling the **policy**.
- The **account holder** can cancel any upgrades or endorsements at any time by telling **us** either over the phone or in writing. **We** will not refund any premium unless the **account holder** cancels the relevant upgrade or endorsement within 14 days from the date of purchase or renewal or the date of receiving the relevant documents or renewal notice, whichever is the later, and so long as no **insured person** has travelled or made a claim.

7. Fraud

You must be honest and truthful in **your** dealings with **us** at all times.

If **you**, any **insured person** or anyone acting on **your** behalf attempts to deceive **us** or knowingly makes a false claim, **we** have the right to refuse claims and retain any premium paid. **We** may recover from **you** any costs **we** have incurred, including the costs of investigating the claim.

We will not pay a claim which is in any way fraudulent, false or exaggerated. **We** will also not deal with any claims following discovery of this behaviour regardless of when the claims occurred.

In addition, **we** have the right to cancel any other products **you** hold with **us** and share details of this behaviour with other organisations to prevent further fraud.

We may also involve the relevant authorities who are empowered to bring criminal proceedings.

8. Other Insurances

If **you** have other insurance that covers the same loss, damage or liability, **we** will not pay more than **our** share of **your** claim. This does not apply to Section E Personal Accident. Please note: if **you** have a no claims discount (NCD) on **your** household insurance policy, any contribution **we** claim from **your** household insurer should not affect **your** NCD.

9. If You Have Not Paid Your Monthly Account Fee or Upgrade Or Endorsement Premium

We may refuse **your** claim or deduct any unpaid premiums from any claim payment **we** make to **you**.

10. Automatic Renewal

We may automatically renew any upgrades or endorsements to **your** policy on the renewal date. If **we** plan to automatically renew, **we** will let **you** know **we** are planning to do this before **your** cover ends together with sending **you** details of the renewal premium. If **you** do not wish to renew **your** upgrade or endorsement **you** should let **us** know before the renewal date.

11. Rights of Third Parties

Unless otherwise provided for in the **policy**, nothing in the **policy** is intended to confer a directly enforceable benefit on any other party under the Contracts (Rights of Third Parties) Act 1999.

Your Information

You are giving your information to U K Insurance Limited (UKI) and NatWest Bank Plc. In this information statement “we”, “us” and “our” refers to UKI and NatWest Bank Plc. This product is underwritten and administered by UKI. This notice describes who UKI are, why they need to collect your information and how they will use it.

NatWest Bank Plc and UKI will share your information and this notice will tell you how UKI will process your data as well as with whom, and for what purpose they may share it.

Privacy Notice

This privacy notice tells you what we do with information we collect about you. It's relevant to anyone who uses our services, including policyholders, prospective policyholders, website users and beneficiaries under our policies, such as named drivers. We refer to all these individuals as “customers” or “you” in this notice.

1. Who “we” are

We are U K Insurance Limited (“we”, “us” or “our”). We underwrite this Natwest insurance policy.

2. What information do we collect about you?

Information collected from you & cookies policy

Where we have collected information directly from you it will usually be obvious what this is, as you will have given it to us. This might not be the case where we have used cookies to collect information from your computer or portable electronic devices. Please see our cookies policy for more information.

Information collected from others

We can collect information about you from others. This includes information from:

- **Royal Bank of Scotland group of companies**, who we partner with to provide your insurance policy.
- **Joint policyholders or policy beneficiaries**. Where you are named on a joint policy or a beneficiary of that policy we may collect information about you from any named policyholder. We will ask them to confirm that they have your permission to give us this information about you.
- **Fraud prevention, law enforcement or government agencies and other data sources used to prevent or detect fraud or provide details to us about criminal convictions or offences.**
- **HM Treasury and other authorities in relation to regulatory issues** e.g. where someone is subject to a financial sanction they will appear on HM Treasury's asset freezing list.
- **Credit reference agencies** e.g. credit searches that are made when we produce a quotation for a new policy or at renewal. (Note that the results of these searches are automatically deleted after 12 months and do not affect your ability to obtain credit.) Please also see section 4 below.

- **External sources** such as **no claims discount databases**, the electoral roll and insurance comparison websites to help us decide what the risk is in selling the policy **and from companies that hold information about insurance renewal dates, marital status, household residents, vehicle details, employment status and household income** to help us work out which information we should provide to you about our other products and services.

Sensitive personal information

We collect information that is sensitive, such as information about children, health or geo-location (which may be sensitive personal information because, for example, it can pinpoint your location at a hospital), and information related to unspent past criminal convictions or offences. We also collect your sensitive personal information for specific types of policy or applications, for example when offering you a travel policy or a driving application e.g. Telematics. We obtain this from your mobile devices for driving applications and the following people:

- The main policyholder will provide most of the information we collect about health (including confirming whether hospital treatment is being sought) and unspent criminal convictions or offences, including on behalf of others named on the insurance policy e.g. medical screening to support a travel policy;
- Fraud prevention or law enforcement agencies may provide details to us about criminal convictions or offences;
- Witnesses to an accident may provide medical information to us if there is an investigation of a claim;
- We may use information about a child, for example, where the child is a beneficiary under a policy or if involved in an accident.

We collect and use this information as part of your insurance quotation or contract with us, or where it is necessary for a legal obligation, or as part of the establishment or defence of a legal claim.

3. What do we do with information we collect about you and why may we do this?

We use your personal information in order to meet our obligations in our contract of insurance with you. We and other companies within our group of companies use your personal information in the following ways:

A. Provide insurance services

When you request us to provide you with a quote for one of our insurance policies or you purchase an insurance policy from us, we use information about you:

- To decide what the risk might be in selling you the policy, to quote for, and provide you with, a premium for that policy and any special terms that may apply to that policy (noting that we may use automated decision making to make this assessment – see section 9 below);

- To administer your policy and monitor the payment of instalments if you pay your premium in this way;
- To contact you about the policy (e.g. for billing or renewal purposes); and
- To provide the agreed service if you make a claim (e.g. sending someone to assist you in a roadside breakdown situation or to provide you with medical assistance if you are injured or unwell when overseas).

We cannot provide the services unless we use the information about you in this way.

B. Do what we are required to do by law

As part of our duty as an insurer providing insurance services, sometimes we are required by law to use information about you:

- To help make sure our customers are being treated fairly (e.g. to assist our regulators where we have a legal duty to do so);
- To deal with complaints;
- To help prevent and detect crime (including, for example, the prevention or detection of fraud); and
- To comply with a legal or regulatory obligation.

We can use your personal information in this way because we are required to do so by law.

C. Prevent fraud occurring

Fraud has an impact on all customers as it increases costs for everyone. We use your personal information to check for signs that customers might be dishonest (e.g. if someone has behaved dishonestly in the past it may increase the risk they will do so in future).

We may use your personal information in this way because it is in our interests to detect fraud and in all our customers' interests to ensure that they are not prejudiced due to increased premiums as a result of a few customers acting dishonestly.

D. Recover debt

If you owe us money we will use your personal information to help us recover it.

We can use your personal information in this way because it is a necessary part of the contract of insurance. We need to ensure that premiums are paid so that the majority of our customers do not suffer (e.g. through increased premiums) due to the actions of a small minority of customers.

E. Where your or another person's life may be at risk

We will use your personal information to assist where your or another person's life or health is in danger and obtaining your permission is not possible (e.g. arranging emergency medical treatment in a remote location).

F. To administer and improve our services

To administer our services we will share information with others (including to people or organisations that may be based overseas):

- In order to enable us to process your claim or administer your insurance policy more cost effectively;
- To help develop our products, services and systems to deliver you a better sales and claims experience in the future; and
- To understand how our prospective customers make decisions about which insurance policy is the optimal policy.

We may also process your personal data to better understand you as a customer, including to determine how best to retain your custom, and to ask you to provide feedback on the service we provide to you.

We can use your personal information in this way because it is in our legitimate interests to provide the services in the most efficient way. We will always ensure that we keep the amount of your personal information that we collect and the extent of any processing to the absolute minimum to achieve this efficiency.

4. Who do we share your personal information with and why do we do it?

We may share your personal information with third parties and other companies within our group of companies for the purposes mentioned in section 3 above. A list of our group companies can be found at www.u-k-insurance.co.uk/group-companies.html. Alternatively, you can contact the Data Protection Officer for a list of them. Please see section 10. You should make sure everything you tell us is correct because your records may be checked in the following circumstances:

- When you apply for insurance, financial services, or work;
- By police and other law enforcement agencies.

In particular we share information with:

- **Royal Bank of Scotland group of companies**, we will provide them with information about your insurance policy, premium and claims history.
- **Fraud prevention agencies that provide databases and services**, such as CIFAS, National Hunter, SIRA and ENI, to prevent or detect fraud.
 - Fraud prevention agencies will process this personal information in order to assist our prevention of fraud and money laundering, and to verify your identity and may also process your personal information in order to prevent fraud and money laundering by other people.
 - Fraud prevention agencies will hold your personal information for up to 1 year, or up to 6 years if you're considered to pose a fraud or money laundering risk.

- If we or a fraud prevention agency determine that you pose a fraud or money laundering risk, we may refuse to provide the services and / or financing you have requested.

A record of this risk will be retained by the fraud prevention agencies, and may result in others refusing to provide services or financing to you. If you have any questions about this, please contact the appropriate fraud prevention agency.

- **Law enforcement or government agencies** we and fraud prevention agencies may permit law enforcement or government agencies to access and use your personal information, if they request it.
- **Credit reference agencies** help us decide whether to offer you credit if you choose to pay your premium by instalments. We share this information when you first take a policy with us and at each renewal. We may exchange your personal information with credit reference agencies to reflect your credit application (as payment by instalments means that there will be a credit agreement between us). We will let you know before we do this. This will be visible to other credit providers. Failure by you or anyone who pays for your policy to keep up the monthly payments due under your credit agreement will be reflected in your credit score, not theirs. The identities of the credit reference agencies and the ways in which they use and share personal information are explained in more detail at www.experian.co.uk/CRAIN. Alternatively, you can call us and we will send you a copy.
- **Your spouse or partner** who calls us on your behalf, provided they are named on the policy. Please tell us who they are when you take out your policy. If you would like someone else to deal with your policy on your behalf on a regular basis please let us know. In some exceptional cases, we may also deal with other people who call on your behalf, but only with your permission. If at any time you would prefer us to deal only with you, please let us know.
- **Other insurance companies** to help settle any insurance claim or to verify that the information you have provided is correct (e.g we will check the amount of No Claims Discount you have told us with your previous insurer).
- **Insurance industry bodies** such as The Motor Insurance Database to meet our obligations under the Road Traffic Act.
- **Insurance industry databases**, such as the Claims and Underwriting Exchange where you make a claim so that insurers can check that your claims history is correct, the Insurance Fraud Register and, for commercial policies, the Employers' Liability Tracing Office.
- **Government bodies**, such as the Driver and Vehicle Licensing Agency.

5. Will we send your personal information overseas?

We may send your personal information overseas to any part of the world. The protections given to your personal information in other parts of the world will often not be as strong as in the UK. Where possible, we will put in place agreements with the people we send your personal information to, to require them to treat your personal information with the same protections that we apply ourselves. Our agreements may include standard terms provided by the EU called EU Model Clauses or may require the other party to be signed up to government standards that are recognised as providing the right level of protection such as “privacy shield” in the USA. But it is possible that regardless of what is set out in the agreement this would not stop a government in any part of the world from accessing your personal information, as they can often have power to overrule any agreements we make.

In some cases we might need to share information to carry out the services we have promised to carry out, for example if you require urgent assistance abroad. In such an urgent situation we may not always have the time to put in place the type of agreement we would normally want to.

6. How long may we keep your personal information for?

We are only allowed to keep your personal information if we need it for one of the reasons we describe in section 3 above.

As a general rule, we will keep it for 6 years from the end of your relationship with us, as it is likely that we will need the information for regulatory reasons or to defend a claim. For example, should you wish to bring some form of legal action relating to your relationship with us, this would generally need to be done within 6 years from the end of that relationship. However there may be exceptions where we need to keep your personal information for longer, such as where a claim has involved a minor.

We will also retain data in an anonymous form for statistical and analytical purposes, for example, to assess risk of flood damage occurring.

7. When can you ask us to stop using your information?

If we rely on your consent to collect and process your personal information, you can ask us to stop using your personal information at any time by withdrawing that consent and we will stop using your personal information for those purposes. We may rely on your consent to tell you about products or services which may be of interest to you or to use computers to make decisions about you to improve our services or develop our products (see section 9).

At any time, you can tell us to stop using your personal information to tell you about products or services that may be of interest to you or allowing computers to make decisions about you in order to improve our services or develop our products (see section 9). To find out how to do this, see section 10.

8. What happens if you don't give us some of your personal information?

Where you do not provide the personal information we need in order to provide the service you are asking for or to fulfil a legal requirement, we will not be able to provide the service that you are asking us to give you.

We will tell you about why we need the information when we ask for it.

9. When do we use computers to make decisions about you?

We will collect information about you and put this into our computer systems. The computer systems will make certain automated decisions about you which will be based on comparing you with other people. This will have an impact in terms of the level of premium or product that we offer to you or the products or services that we decide to tell you about. We may also use automated decision making to conduct an identity verification check.

For example, if you are under 25 years of age, the computer system may determine that you are more likely to have a car accident. This is because the computer system has been told that more people aged under 25 have car accidents. Another example is that, if you are under 25, the computer system may determine that you are going to be interested in a travel policy which covers high risk activity, such as skiing. Therefore, we would proactively seek to tell you about such policies as we would consider them to be of interest to you.

This is important because:

- **In providing insurance services** it helps us decide what price you should pay for your policy and understand any risks associated with that policy;
- **In identity verification** it helps us to check that you are who you say you are and to prevent others from imitating you;
- **In selling you other products** it helps us decide which other products might be useful to you.

We also use computer systems to carry out modelling. Sometimes using your personal information and sometimes using data in anonymised form. We conduct this modelling for a variety of reasons, for example, for risk assessment purposes to make decisions about you, such as your likelihood to claim. However, we may also use your personal information in that modelling to make decisions about how we improve and develop our products and services, or our pricing and underwriting, or to better understand how our prospective customers make decisions about which policy is the optimal policy (i.e. we are not making decisions directly about you).

10. How to contact us about this privacy notice

You may ask for this information to be provided directly to you or directly to another organisation. We will provide the information in a machine readable format so that another organisation’s software can understand that information.
5. To ask us not to use information about you in a way that allows our computer systems to make decisions about you (as explained in section 9).

Sometimes we will not be able to stop using your personal information when you ask us to (e.g. where we need to use it because the law requires us to do so or we need to retain the information for regulatory purposes).

In other cases, if we stop using your personal information, we will not be able to provide services to you, such as administering your insurance policy or servicing your claim.

We will tell you if we are unable to comply with your request, or how your request might impact you, when you contact us.

Complaints
