	Interest is calculated daily and paid on the first business day of every month and on the Maturity Date.				
	You can choose to have interest paid into a Nominated Account. This must be a NatWest personal current or savings account with instant access (other than a cash ISA) held in your name at the same branch as your Fixed Term Savings Account.				
	If interest is paid into your Nominated Account, you can access it the following day.				
Can NatWest change the interest rate?	No, the interest rate is fixed. This means that the rate will not change between the date you open your account and the Maturity Date.
