Summary Box

Account name	Fixed Term Savings Account					
What is the interest rate?	Issue	1 Year Issue 118		2 Year Issue 119		
	Balance	AER	Gross p.a.	AER	Gross p.a.	
	£500 – £49,999	0.70%	0.70%	0.85%	0.85%	
	£50,000 – £2,000,000	0.85%	0.85%	0.95%	0.95%	
	Interest is paid on a tiered basis from the date you open your account until the Maturity Date. This means you'll earn one rate on your entire account balance.					
	Interest is calculated daily and paid on the first business day of every month and on the Maturity Date.					
	You can choose to have interest paid into a Nominated Account. This must be a NatWest personal current or savings account with instant access (other than a cash ISA) held in your name at the same branch as your Fixed Term Savings Account.					
	If interest is paid into your Nominated Account, you can access it the following day.					
Can NatWest change the interest rate?	No, the interest rate is fixed. This means that the rate will not change between the date you open your account and the Maturity Date.					
What would the estimated balance be at maturity based on a range of deposits?		Deposit at Fixed Term Start Date	Balance at Maturity Date	Interest earned		
	1 Year Issue 118	£1,000	£1,007.02	£7.02		
		£50,000	£50,426.66	£426.66

		£50,000	£50,958.70	£958.70

Partial withdrawals are not permitted after this time.</p> <p>If you want to make a withdrawal after this time and before the Maturity Date, you must close your account by giving 35 days' written notice to your branch. An Early Closure Charge will be deducted from the balance of your account, except in the event of your non-voluntary redundancy or death.</p> <p>The Early Closure Charge will be the lower of the amount of interest earned on your account or 90 days' interest.</p> <p>The total amount you receive (including interest earned on your balance) will be no less than your deposit at the Fixed Term Start Date. For example, if you have earned 50 days' interest you will only be charged an Early Closure Charge equivalent to 50 days' interest. If you have earned 100 days' interest you will only be charged an Early Closure Charge equivalent to 90 days' interest.</p> <p>The Early Closure Charge will be deducted from the balance of your Fixed Term Savings Account.</p>

We'll send you more information on this closer to the time.</p> <p>If you choose not to reinvest, your account will be converted into an Instant Saver Account on the Maturity Date (or if the Maturity Date is not a business day, the next business day) and your money can be accessed on the following day.</p> <p><i>Please see Term 7 of the Fixed Term Savings Account Terms for more information.</i></p>
