## How we decide to close a branch

Closing a branch is a decision we take very seriously. Since 2012 in Sandhurst Berks we have seen the following:

- Counter transactions have reduced by 36%
- Only 47 customers are using the branch on a regular basis. Of these customers 45% also use other branches
- A total of 7065 customers visited the branch in the last six months.
- Of these customers 80% also choose to bank online, via telephony or at an ATM

### **We also consider a range of local factors over a long period (June 2012-2017)**

- How customers are choosing to bank with us
- How often customers are using the branch and what transactions they are doing
- Impact on customers who currently use the branch
- Other options available to customers including online, mobile, telephony, Webchat, cash machines, Video Banking and everyday banking services that can be done at local Post Offices®
- The proximity of our other branches, including our network of mobile branches
- Local transport routes and timetables
