The way we bank

Closing a branch is a decision we take very seriously. We know it can affect people in the local area and we'll always work hard to guide you through the changes and find the best way to serve you from now on.

The world of banking has changed a lot lately and the changes show no sign of slowing down. These are some of the things we're seeing that mean we can't offer the same number of branches as we have in the past:

- More people are doing their day-to-day banking online, by mobile app, or over the phone
- More people are even doing bigger things that way, like opening a business account or getting a loan
- Fewer people visit branches and do fewer transactions when they're there
- People often use a branch that is more convenient to them, and not one branch consistently
- People contact us in a variety of ways and today very few people only do their banking in a branch.

Mobile & Online
transactions:
Up 400%
since 2010

Counter
transactions:
Down 43%
since 2010

People who do their banking online enjoy the speed, security and convenience that it offers. If you aren't already signed up, we can show you how to get started and talk about any concerns that you might have.

But even in this modern, changing world, we will always make branch services available to our customers. We will show you the nearest places you can do your banking or, where we can, find ways to bring the service to you.

This brochure will go through the alternative ways you can do your banking locally. And if you have any questions, we'll always be available to speak to you.

Bolton Chorley Old Road branch

We wrote to personal and business customers who regularly use Bolton Chorley Old Road branch to give them at least 12 weeks notice of the closure. We also contacted these organisations and people in the wider community to discuss the decision:

- Bolton News
- Post Office
- Politicians
- Local Councillors
- Age UK
- Citizens Advice
- Chris Green MP

This is the amount of feedback we've had since the notice of closure

The main themes were:

- Customers feel that Natwest are not supporting local communities.
- Most people have said that the reason they're unhappy about the decision to close the branch is that they will have to travel further to do their banking.

We have undertaken the following activities in response to the key areas of concern:

- The branch team has spoken to all customers who have been concerned to explain more about our alternative banking services in the local area, and have helped customers to set-up on online banking/encouraged them to visit our nearest branch.
- Customers can access their banking at the local Post Office, through our telephone, online or mobile banking services. Our local team have spoken to people about their different needs and offered help with the most suitable ways to bank in the area.

NatWest Bolton Chorley Old Road branch will close as planned on 14th June 2017. Our branch staff are available to answer any further questions that you may have or you can contact your Local CEO: **Craig Wood** LCEO, 07920 450272; craig.wood@natwest.com
