The way we bank

Closing a branch is a decision we take very seriously. We know it can affect people in the local area and we'll always work hard to guide you through the changes and find the best way to serve you from now on.

The world of banking has changed a lot lately and the changes show no sign of slowing down. These are some of the things we're seeing that mean we can't offer the same number of branches as we have in the past:

- More people are doing their day-to-day banking online, by mobile app, or over the phone
- More people are even doing bigger things that way, like opening a business account or getting a loan
- Fewer people visit branches and do fewer transactions when they're there
- People often use a branch that is more convenient to them, and not one branch consistently
- People contact us in a variety of ways and today very few people only do their banking in a branch.

Mobile & Online
transactions:
Up 400%
since 2010

Counter
transactions:
Down 43%
since 2010

People who do their banking online enjoy the speed, security and convenience that it offers. If you aren't already signed up, we can show you how to get started and talk about any concerns that you might have.

But even in this modern, changing world, we will always make branch services available to our customers. We will show you the nearest places you can do your banking or, where we can, find ways to bring the service to you.

This brochure will go through the alternative ways you can do your banking locally. And if you have any questions, we'll always be available to speak to you.

Complaints

The main themes were:

- Customers have expressed that they would like to be given an option as to which branch their account is transferred to following the closure.
- Customers are concerned that the Post Office is not an adequate alternative.

We have undertaken the following activities in response to the key areas of concern:

- We met with local MP David Warburton to discuss our customers concerns over the closure. The branch team has spoken to all customers who have been concerned about their accounts and explained that, although their accounts are being transferred they can still use any of our alternative banking services in the local area, including any NatWest branch.
- We met with the local postmaster and the Post Office to make sure they're ready for the local demand. You can use your debit card to take out cash, check your balance and use your pay-in book to make deposits. Business customers can also get coinage.

NatWest Langport branch will close as planned on 5th October 2017. Our branch staff are available to answer any further questions that you may have or you can contact your Local CEO: **Matthew Brown LCEO, 07552 260365; matthew.wj.brown@natwest.com**
